

PROACTIVE PREVENTION

At Comp-U-Help
We anticipate issues beforehand
and prevent problems.
This keeps you focused on business
and not reacting to problems,
that create downtime.

Just Make
IT
Work

It sounds old fashioned to some,
but we never forget, it's
People Doing Business
within a budget,
that

IT
is there to
SERVE

*"An ounce of prevention
is worth a pound of cure."*

-Benjamin Franklin

**PREVENTION
NOT
RE-INVENTION**

Just Do
We **IT**
Better!

In a small business, who has time to
keep up with every bit and byte of

IT

Reliable, worry-free systems
that improve efficiency within a budget
are critical to success in today's fast
paced world.

how can you achieve
results without hiring expensive

IT

staff or becoming dependant upon a
consultant?

The solution is to outsource your

IT

to

We will efficiently improve your
systems reliability and performance
while enhancing your business
flexibility and self-sufficiency,
allowing you to better focus on business.

"...But I already outsource my IT"

IF SO,
YOU SHOULD BE RECEIVING;

- ✓ **RECOVERABLE, TESTED BACK-UPS**
- ✓ **PROACTIVE VIRUS/SPYWARE PROTECTION
DISASTER RECOVERY PLANNING**
- ✓ **SECURITY FROM MALICIOUS INTRUDERS**
- ✓ **HELP PLANNING YOUR UPGRADE STRATEGY**
- ✓ **WHY, WHEN, HOW, AND HOW MUCH**
- ✓ **MORE SELF SUFFICIENCY**

Since 1992 **COMP-U-HELP** has focused
on small and medium sized businesses.
Many companies have come and gone while

COMP-U-HELP

continues to help businesses
like yours succeed.
Our experience delivers the advantage
of having veteran

IT

experts in your corner, preventing
problems and making you self sufficient.

WHAT WE DO BETTER

**PROACTIVE PREVENTION
RELIABILITY
AVAILABILITY
EFFICIENCY
FLEXIBILITY**

WHAT WE'RE NOT

A SALES COMPANY
WE DON'T SELL HARDWARE
WE DON'T SELL SOFTWARE

HERE TO TELL YOU
YOUR SYSTEM WON'T WORK
