The "Kids of Faith" is the dynamic children's ministry. Children are taught biblical principles in a creative, exciting format using theme-based teaching. These are designed in a fun and interactive style using visual multimedia, fun contemporary worship, talking bible parents and stories plus our top Bible teaching. Children will be able to apply these truths to their everyday lives. It is the power of the ministry team that children become leaders to their peers and live a lifestyle of being obedient to serving God.

THE OUTLET-For Jr High & High School

Outlet youth are a step ahead of the normal young people of the American teen. Our lives are different from the life that we have been offered by the world around us. It's a choice to live above the circumstances and realities that try to hold us back. It's knowing who we are, what we want and being able to pursue it. It's getting plugged in, connected and presented as for God with Thursday night team meetings and to weekly activities. Our Youth Ministry Night is designed for re-energizing lives and giving energy through the week. Every Thursday night at 7:00 PM, a short, assembly preaching message leads and challenges hungry spirits. Also, a wide range of ever-changing activities, from sport tournaments, drama, dance and live music performed by the Youth Praise Band and much more, challenge the energies of young bodies. Youth leaders, who are youth themselves, provide a peer group setting, making it significant way for all to relate and for the Word to be received effortlessly.

one church
two locations

So here's the big question you're asking...
"Why Faith Church St. Louis?"

WHY is Faith Church St. Louis growing so rapidly?

WHY have so many families found they love the people, the programs, and the preaching?

WHY do we need two locations?

WHY do we enjoy energetic, contemporary music, as well as heart-felt, classic hymns from a diversified praise team and band?

WHY are our Tots and Kids of Faith programs loaded with music and media, but also a rich environment of the Word, along with activities?

WHY does Faith Church offer so many group events for so many different ages and interests, from tots to teens, singles to baby boomers, college & career, motorcycle and sports enthusiasts?

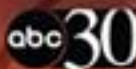

WHY do we offer our members so many places to serve, from bookstore to coffee shop help, transportation to ushering, greeting to providing service and event information?

WHY are we evangelizing on radio, the internet and ABC four times a week?

Oh, and one more question...

WHY are we so sure that you and your family will fit in?

successful christian living

Friday late night 1:35 am
Saturday late night 12:35 am
Sunday 5:30 am & 8:30 am

The answer is simple.

Faith Church St. Louis has responded to the Great Commission of Christ. "...Go ye into all the world..." And the "Go ye..." is all about YOU and your family. God has extended His hand to bring you into His family, so we too extend our hands to all groups of people. When you come into the Faith Church Family, you fit in! Faith Church St. Louis is a growing, inter-denominational church that welcomes everyone into the family of God, without restriction to offer you and your family the happiness and wholeness found only in God.

So let's ask this... "Would you like your family to live a life that's happy, prosperous, and also fulfilling and outreaching?"

One last question.

WHY ARE YOU WAITING TO JOIN THE FAITH CHURCH ST. LOUIS FAMILY?

No question,
The only thing missing at
Faith Church St. Louis

...is YOU!
