kidz connection

Kidz Connection offers a place where children from kindergarten through fifth grade can discover and develop a passion for God. Through worship, teaching, and a variety of fun activities, children are exposed to God's Word and challenged to grow in their relationship with God. Our children's service is fully staffed with adults and high school students who are committed to teaching and ministering to children. You can be confident that your child is well-cared for and having a great time learning about God while you worship. Kidz Connection is offered during our Sunday service.
